Engineering project: Build a playhouse for Owl and Bat.

Criteria:

1. You must have at least one moving part.
2. You must use some kind of wood (toothpicks, popsicle sticks, or other)
3. You must have a door on your playhouse.
4. You must use at least two colors.
5. You must make and hang a piece of art somewhere inside your playhouse.

Possible materials and tools: construction paper, colored cardstock, pencils, markers, scissors, crayons, glue, glue sticks, wooden toothpicks, craft sticks, buttons, brass fasteners, paper clips, pipe cleaners and sequins.

Other ideas:

- As a class, create a list of animals that travel or live in pairs. Now make a list of solitary animals (animals that live alone.)
- Make a nighttime trail mix for you and your family. While you eat, take turns sharing everyone's favorite ingredient. Choices might include popcorn, chocolate chips, marshmallows, cereal pieces, pretzels, dried fruits, and nuts.
- When it gets dark outside, use binoculars and a flashlight to try to spot owls, bats, stars, and other nighttime wonders. Draw or write some of the things you see.
- Make a wanted poster for a new friend. What are you looking for in a friend?
- Draw a nighttime sky. Include lots of stars and some animals you might see there.
- Go outside and pretend you are a bat or owl. What are you looking for? How fast can you fly? Where can you rest?

Journal ideas:

- Would you rather be friends with a bat or an owl? Explain your choice.
- What are some ideas for helping someone make a new friend?
- Do you think it's okay to have more than one friend? Explain your answer.
- Have you ever felt lonely? What did you do to feel better?
- Who was your favorite character in JUST ONE OWL? Explain your answer.

Center ideas:

Center ideas: teachstarter.com/us/blog/how-to-set-up-learning-centers-classroom/

Friendship theme:

- Make friendship necklaces using beads or dry pasta.
- Make friendship pins using mini beads and safety pins.
- Write letters to friends. Deliver them!
- Include a copy of JUST ONE OWL and other friendship books.

Nighttime theme:

- Design your own constellation of stars.
- Make a nighttime scene including animals and plants you might see in the dark.
- Make a star and give it to someone you think deserves to be treated like a star!
- Include a copy of JUST ONE OWL and other books that include nocturnal animals, stars, and friendship themes.

Writing theme:

- Include paper, pencils, crayons, popsicle sticks, glue and a copy of JUST ONE OWL.
- Write a sequel story for Owl and Bat. Make it an adventure! Feel free to create additional characters, change the setting, or use a new theme.
- Make stick puppets of your story characters
- Share your story with classmates and leave it in the class library where it can be read again and again.
